P D R Act 1981

Petroleum Demand Restraint
Act 1981:

The Governor General can at
anytime, if asked by Parliament,
STOP SUPPLY & USE of all Fu-
els & Fuel Services.

Only Emergency Services
Military & Enforcement are
Exempt. Still Law Today.

Legislation:

Fuel Industry (Improving Fuel Resilience) Amendment Act 2023

**The Act provides for the
minimum fuel stockholding
obligation.**

Fuel importers with the right
to draw fuel from bulk storage
facilities in New Zealand must
hold at least 28 days' cover for
petrol, 24 days' cover for jet
fuel, and 21 days' cover for
diesel.

They have been designed to
limit compliance costs that
could lead to higher fuel
prices. (Starts July 1 2024)

**Mid April 2024, we were
down to 10 days spare fuel
only**
